"100% recommended as a wedding venue! We had the most amazing day, nothing was a problem for the staff and they were easily able to accommodate a slight change to the service time.

The wedding coordinator was amazing to deal with and they made our wedding so stress free. Even accommodating for me (the bride) being pregnant and getting non alcoholic bubbles in for me to enjoy. The food was delicious and they set our decorations up so perfectly! I could rave on about them for another few pages but you get the point!"

"We had our wedding at The Stables in May 2023 and we couldn't have imagined it being any more perfect than it was! Nic and the team there made it a perfect and unforgettable experience from planning in the very beginning and right through leading up to our day, nothing was a problem. Very professional, great communication, always willing to help with any demands or requirements we needed.

The service, food, and atmosphere on the night was faultless and most guests said it was one of the best venue and wedding they have ever been too. Thank you for making our day the most memorable day of our lives!"

"My wife and I had our wedding reception at the Stables in December and it was such an amazing night. The wedding coordinator was super helpful at organizing the event and overlooking everything.

The staff at the restaurant were super friendly and polite, and took care of everything during the reception. The Stables did a great job at creating a romantic atmosphere and the food was great! If we could do it all again, we would not change a thing!

We highly recommend this place, and will continue to dine whenever we are in Matakana."

"We had so many venues listed to checkout for our special day and visited the Stables first. WE NEVER LOOKED BACK!! We fell in love with the place immediately! We were very well looked after from quote, to planning to tasting and to the day itself. The team was consistent, friendly and just AMAZING! We are so lucky to have celebrated our special day here!

The food was DELICIOUS and our guests enjoyed their time! To top it all off, even though we had a rain on our special day, there was so many "photo location" options available for us! Thank you for looking after us, for hosting us and for making our special day the most perfect day!"

"The team at The Stables made our wedding day perfect! Very punctual with food service and amazing quality food. Bar staff very helpful.

Amazing convenient location. Great amount of parking. Very easy to communicate with and incredibly flexible with our ideas for what we wanted.

The team set up the venue picture perfect and made it very easy the next day. Nic's communication and genuine want for us to have the perfect day was amazing. The all around care was amazing for our wedding of 100-120."

"Right from the beginning communication was excellent, they planned alongside us to make the event run seamlessly. They took time to sit down with us and have a complimentary tasting prior to the event to make sure we were 100% happy with the food and drink choices that would be served. Every staff member clearly loved their job and they went out of their way to make sure we were happy. The wedding coordinator was bubbly, accommodating, and adaptable to all things that came up. The staff on the day set everything up and packed everything down which significantly decreased our stress levels and really helped us to just enjoy the time with our family and friends."

"Literally the most amazing and most accommodating venue ever! I never in my wildest dreams thought that planning a wedding would be so stress free but Nic and her team made it such a breeze...in fact I actually enjoyed planning it! We got married at the start of May which was always risky but as they have an indoor/outdoor option which both look amazing it didn't really matter what the weather was doing! The staff were AMAZING and so so lovely and the food was DELICIOUS (I will be stopping in at smiths in hopes to get a taste of their amazing food again). We can't thank the team enough for making our special day so perfect"

"We had our wedding here in May 2021 and had the best time! The Stables were so accommodating, especially in the midst of planning for a wedding during the uncertainties of Covid-19.

We initially planned to get married in January 2021, but due to family being overseas, we asked if we could postpone to a later date. The Stables were responsive and considerate during those stressful times.

We held both our ceremony and reception at the venue, and it all went smoothly. The servers were so efficient and helped pack up everything (florals, dishes, decor, etc) for us. We could enjoy the day completely. We would totally recommend the venue for an event like a wedding!"
