"1000% recommended as a wedding venue! We had the most amazing day, nothing was a problem for the staff and they were easily able to accommodate a slight change to the service time.

The wedding coordinator was amazing to deal with and they made our wedding so stress free. Even accommodating for me (the bride) being pregnant and getting non alcoholic bubbles in for me to enjoy. The food was delicious and they set our decorations up so perfectly! I could rave on about them for another few pages but you get the point!"

"We were lucky enough to have the wedding of our dreams at The Stables.

Rustic, relaxed, delicious food and a roaring fire with our close friends and family.

The Stables staff were very helpful leading up to our special day with regular check ins, food tastings and they were sure to keep us well-fed and hydrated on the day. Everything was perfect!"

"My wife and I had our wedding reception at the Stables in December and it was such an amazing night. The wedding coordinator was super helpful at organizing the event and overlooking everything.

The staff at the restaurant were super friendly and polite, and took care of everything during the reception. The Stables did a great job at creating a romantic atmosphere and the food was great! If we could do it all again, we would not change a thing!

We highly recommend this place, and will continue to dine whenever we are in Matakana."

"We had our wedding here in amongst COVID angst and uncertainty and the team were phenomenal. From the initial viewing right through to the picking up of items the next day, they went above and beyond. Their all inclusive package really does take the pressure off the day and we would highly recommend it. The venue itself is stunning, and has so many options for the different parts of the day. The food was incredible, all our guests commented on it and the team were especially great catering for allergies and intolerances. The team are flexible and accommodating throughout the whole process, and the combination of this with the quality of the venue, food, etc really is well worth the \$\$\$. They really know what they're about and pride themselves in making your day perfect. Couldn't recommend them enough!"

"The team at The Stables made our wedding day perfect! Very punctual with food service and amazing quality food. Bar staff very helpful.

Amazing convenient location. Great amount of parking. Very easy to communicate with and incredibly flexible with our ideas for what we wanted.

The team set up the venue picture perfect and made it very easy the next day. Nic's communication and genuine want for us to have the perfect day was amazing. The all around care was amazing for our wedding of 100-120."

"Right from the beginning communication was excellent, they planned alongside us to make the event run seamlessly. They took time to sit down with us and have a complimentary tasting prior to the event to make sure we were 100% happy with the food and drink choices that would be served.

Every staff member clearly loved their job and they went out of their way to make sure we were happy. The wedding coordinator was bubbly, accommodating, and adaptable to all things that came up. The staff on the day set everything up and packed everything down which significantly decreased our stress levels and really helped us to just enjoy the time with our family and friends."

"We had our wedding early January, and I must say, I am so happy with my choice of choosing The Stables. Staff were lovely and accomodating and our venue coordinator.

They made our wedding stress-free and stayed to organise everything from start to finish. All we have to do is leave all our decors day before the wedding and they did everything for us. Yes, everything!

You wont probably see this kind of service and commitment in other venues for sure! Food was awesome and venue was beautiful with a rustic feel. I give 100 stars for The Stables."

"We had our wedding here in May 2021 and had the best time! The Stables were so accomodating, especially in the midst of planning for a wedding during the uncertainties of Covid-19.

We initially planned to get married in January 2021, but due to family being overseas, we asked if we could postpone to a later date. The Stables were responsive and considerate during those stressful times.

We held both our ceremony and reception at the venue, and it all went smoothly. The servers were so efficient and helped pack up everything (florals, dishes, decor, etc) for us. We could enjoy the day completely. We would totally recommend the venue for an event like a wedding!"

"Our wedding at The Stables was a dream come true! We felt at ease in the lead up to the wedding, a lot of that was thanks to the wedding coordinator and her team.

They made sure that everything ran smoothly behind the scenes and removed a lot of the pressure from us on the day.

The venue was beautiful, the food was a major highlight and our guests were well looked after. The day turned out even better than we hoped!"
